Allowable Subject Matter

Claims 1-14, 26-28, and 48-59 are allowed.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew Henry (reg. no. 56,959) on 12/18/2008.

The application has been amended as follows:

Claim 1 (currently amended) An image forming apparatus comprising:

hardware resources used for image formation;

a plurality of first application executed by a processor to perform image formation processing;

a platform that exists between the first applications and the hardware resources, the platform including an OS and at least one control service to control an execution of requested processing of the hardware resources according to a function call from the first applications, wherein interprocess communication is performed between the at least one control service and the first applications;

a virtual machine that is executed as one of the first applications;

a second application that is executed by the virtual machine; and

an application management part managing the second application that is executed by the virtual machine.

Claims 15-17 and 19-25 (cancelled)

Claims 60, 62, and 64-66 (cancelled)
